

CASA NOVA INTERIORS

Premium Corporate & International Partnership Profile

CASA NOVA INTERIORS

Elevating Spaces. Enriching Lives.

Founder's Message

Casa Nova Interiors was born from a vision bigger than design. Founded by Esther Nyambura Ngumi, the company exists to transform spaces, uplift families, create opportunities, and build lasting impact in communities.

Who We Are

Casa Nova Interiors is a one-stop hub for interior design, furnishing solutions, construction, project delivery, and global home sourcing. We provide end-to-end solutions for residential, commercial, hospitality, healthcare, educational, and mixed-use developments.

Vision

To become Africa's most trusted global interior design, construction, and lifestyle solutions partner while creating opportunities and empowering communities.

Mission

To design, build, furnish, and transform spaces through creativity, innovation, quality craftsmanship, and exceptional client service.

Core Services

Interior Design & Space Planning; Construction & Fit-Outs; Custom Furniture & Joinery; Soft Furnishings & Decor; Lighting Design; Global Sourcing & Procurement; Project Management; Property Staging & Real Estate Enhancement.

International Partnerships

We actively seek partnerships with property developers, architects, hospitality groups, construction firms, suppliers, manufacturers, investors, and procurement companies across Africa and beyond.

Social Impact Vision

Our long-term goal is to help families access dignified homes, quality household essentials, furniture, and improved living environments. We aspire to create employment opportunities, support vulnerable families, and establish rescue and restoration centres that bring hope and transformation to communities.

Why Partner With Us

End-to-end project delivery, global procurement network, innovative solutions, quality assurance, reliable project management, and a purpose-driven vision for growth and impact.

Closing Statement

We are building more than interiors. We are building homes, opportunities, hope, and futures. Every project is an opportunity to transform lives.
